

PRINCE ALBERT ROMAN CATHOLIC SEPARATE SCHOOL DIVISION NO. 6

POLICY ITEM: Strategic Plan Monitoring and Reporting	CODE: CL
LEGAL STATUS: Board Motion #251.13	DATE APPROVED: 10 Apr 95, 18 Nov 13

Background: The Board of Education is committed to strategic thinking and planning for more successful schools and students. The Board has established a three- year strategic plan as a major component of its leadership vision. The three-year plan is envisaged as a three-year rolling plan. Annual planning is expected to ensure there is always a three-year framework for action and that plans are updated on a regular basis.

POLICY: **The Board of Education instructs the Director of Education to prepare an annual report on the accomplishments related to the Strategic Plan. Results will inform Board adjustments to the Strategic Plan.**

Guidelines:

1. The priorities and the strategic directions identified in the strategic plan will be addressed through the Division and School Improvement processes.
2. Accomplishments and next steps on the priorities and strategic directions will be reported annually to the Board of Education and on the Annual Report.
3. The Strategic Plan report and update will be presented to the stakeholders at the Annual Ratepayers' meeting.
